Father Hansen's message . . .

Welcome to Ordinary Time! I recall, when in the seminary in St. Louis, the Dean of Students was excited about how "finally, Ordinary Time was back." Back then I didn't necessarily appreciate that as I do now; just to be back in a spiritual routine for a while. Maybe I could say, just contemplating the ordinary life of Jesus; what he did before he worked his miracles... Ordinary Time might also be a good time to think about the importance of Sundays, which are extra ordinary within each week. A more festive tone as Christ conquered sin by rising on a Sunday [Pope Francis once said: "We go to Mass every Sunday because that is the day of the resurrection of the Lord. That is why Sunday is so important to us."]; a day to be Sanctified by the Eucharist for all the faithful; a day to contemplate God's word in a deeper fashion; and, a day for rest and family/friend visits! Of course, the later includes football at this time of year!

"Finally, Ordinary Time is back." Let's enjoy it! Let's enjoy our Sundays, too!!!!

We would like to thank all our Parishioners who joined together as one family in pledging their gift to the **2023 Annual Catholic Appeal**, "*Joyful in Hope*." If you have not made your commitment, please prayerfully consider doing so. Every gift is very important. **Thank you** for your generosity. For more information on the impact of your support for the appeal, visit the diocesan website at www.kcsj.catholic.org.

It is with much gratitude, that I want to say thank you to all that helped with decorating for Advent/Christmas. . .

Community Prayer Breakfast

Feb. 1, 2023

Strong Schools make Strong Communities

What can we do, *together*?

Catholic Identity & Culture: St. Benedict & St. Scholastica

The Academy seeks to build a sense of community among its scholars and a love for the surrounding community. Strong schools make strong communities. The Academy's goal is to create a culture of welcoming campuses with clear signage, professional work environments, provide materials and training for staff and teachers that encourages integration of Catholic identity in their daily routines and cultures at each campus, and funding for student support services and resources.

Donor Impact:

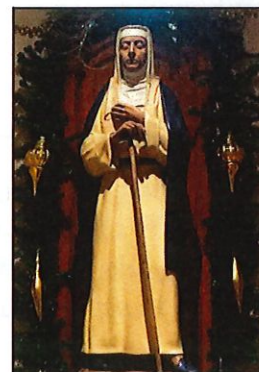

- \$20,000 Updated textbooks/chrome books est.
- \$ 7,000 Exterior signage for all campuses and Academy
- \$ 3,000 Strengths Finder program for Catholic teachers
- \$ 3,000 Catholic artwork and statues
- \$ 3,100 Teacher chairs for elementary campuses

Accessibility: St. Margaret of Castello

Accessibility makes information, activities, and/or environments sensible, meaningful, and usable for as many people as possible. The Academy's goal is to create ADA access to the Bishop LeBlond track and field and create full access to one elementary school.

Donor Impact:

- \$100,000 Elevator at one elementary campus - est.
- \$ 15,000 Lift from 1st floor to LB Library - est.
- Unknown Ramp from concession level to field - LB

Performing Arts: St. Cecilia

The St. Joseph Community is known for its arts scene. The campuses of the St Joseph Catholic Academy provide opportunities for our scholars to participate in choirs and school musicals as well as performance experiences. To enrich the opportunity, the Academy is planning after-school and summer enrichment experiences. There is also a need to update the audience experience through sound and comfortability.

Donor Impact

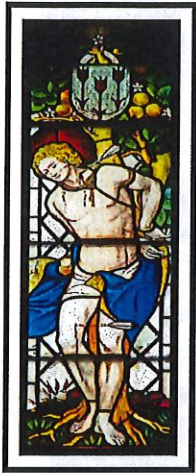

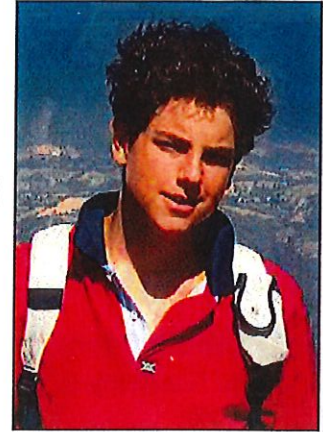

- \$ 2500 Summer Theater Camp Elementary and High School
- \$ 3500 Fall Musical Licenses Elementary and High School
- \$500 Concert Choir Performance Attire - LB
- \$15,000 Acoustical wall panels LB
- \$24,000 Stage curtains LB
- \$40,000 New lighting system LB

Industry & Technology: Blessed Carlo Acutis

The Academy recognizes that many local industries and technology advances happen in the workplace. We want our scholars to become involved in these businesses through partnerships and mentorships. The Academy is also seeking to provide access for every campus to have consistent and competitive technology for the advancement of academics and skills in global commerce.

Donor Impact:

- \$10,000 Updated computers/software est.
- \$ 4,500 FACTS Software for all campuses
- \$ 1,799 Digital and Email Marketing Platform for all campuses
- \$ 1,500 Donor Management Software

Athletics: St. Sebastian

The St. Joseph Catholic Academy has organized middle school teams under MSHSAA guidelines. Those teams have succeeded and finished in the top tier in several tournaments and overall play. The Academy hopes to create permanent budget lines for the athletic director, coaches, and team equipment.

Donor Impact:

- \$1,000 MS Athletic Director stipend
- \$500 Elementary Athletic Director stipend
- \$3,000 Equipment and Uniforms
- \$500 Marketing

The St. Joseph Catholic Academy aims to develop faith-filled students who have a love for community and will return to the area to work and raise a family. Research shows that when schools, parents, and communities work together, students earn higher grades, attend and stay in school, and are motivated. Strong schools make strong communities.

Our goal for our Community Prayer Breakfast is to connect with businesses in the area to encourage internship opportunities for scholars, support enrichment activities, ensure facilities and activities are accessible to every scholar who wants to participate and foster a welcoming culture of Catholic Identity within the schools and within each scholar.

Your support can be a pledge to work with the Academy in offering internships, volunteering opportunities or even monetary donations where you will see the impact of your support through accessibility of buildings and enrichment activities.
