I wanted to extend a warm 'Thank You!' to the parishioners, parents, teachers, and staff of the Cathedral of St. Joseph for being some of the kindest and most generous people I've met! I've taken a new job and my last day at the parish office was this past Friday, the 27th. From my short time here, I have seen and heard what I believe to be a tremendous momentum forward, not only on the Cathedral campus, but also within the community of St. Joseph, in the year of St. Joseph! I expect great things for the future of the hilltop! My prayers for the continued success in all areas of the Cathedral: parish, school and ECC. Sincerely in Christ.....Margaret Nold

Prayer for the Unborn Child - Month 5

Half-way there and just over one pound! If born today, I would have a chance of surviving...with lots of help, of course. Your prayers have helped my mother with her pregnancy and helped her seek the support she needed the past few months since she learned about me.

"See now that I myself am He! There is no God besides me. I put to death and I bring to life, I have wounded and I will heal, and no one can deliver out of my hand" Deuteronomy 32:39

Office Manager position available in our Parish Office. Customer service and office experience required. Flexible hours and job sharing possible. If interested, contact Fr. Hansen at shansen@cathedralsj.org, Preston Rinne at prinne@cathedralsj.org, or call them at 232-7763. To see job description/application: <https://recruiting.paylocity.com/recruiting/jobs/Details/694777/Available-Positions/Office-Manager>

Father Hansen’s message . . . The last time I wrote for the Bulletin I followed up on Amy Roetto’s letter about Adoration at the Parish, particularly for our children in school (here and elsewhere). Thank you for stepping up this week (adorers whom I emailed), all hours were covered except two!

We must do everything we can with the talented parishioners and generous benefactors to make our school safe, but I must say I believe that prayer before the Blessed Sacrament here and at St. Mary’s has the most significant impact regarding our safety.

In my daily afternoon mental prayer in the last week, I pray over these words of the St. Josemaria (whose relic is in the back of the Cathedral):

Results! Always looking for 'results'! You ask me for photographs, for facts and figures.

I won't send you what you ask, because (though I respect the opposite opinion), I would then think I had acted with a view to making good on earth, and where I want to make good is in heaven.

Making good in heaven seems like a lofty “dream.” How can we – feeble and weak – make good in heaven when we’re on earth? In my undergraduate studies (Accounting/Finance, Biology, and a minor in Economics) – for the most part I was not attending Sunday Mass nor was I therefore in sanctifying grace. It was intoxicating the truths I learned. Can an Accountant, Finance Officer, or Biologist become a canonized Saint? Yes!, when they do their work well and offer it up to God! When we’re living in sanctifying grace everything not sinful can be offered to God as prayer and we sense being children of God, right there in our ordinary lives. As we enter into the ordinary life of the school year, which hopefully affects all of us, let’s make our life on earth “good in heaven” by being open to the graces at Mass, Adoration, Confession, and our personal prayer lives directing us. I’ll write from my workshop in Kenya on what our personal prayer life can include. Pray for my workshop - a delayed one that was originally to be in the Holy Land - I’ll be praying for you!

The **Sisters in Jesus the Lord** have moved into their temporary home in St. Mary’s Rectory. You may contact them at (816) 689-0837.
